

PUBLIC CONTRACT-OFFER TO PROVIDE SERVICES

The Limited Liability Company EXPODAT, (hereinafter referred to as the "Company" and/or the "Operator"), publishes this offer on concluding a service agreement for the use of the EXPODAT service (the "Service"), the terms of which are set out below ("Contract ") to individuals and legal entities (in case this proposal is accepted hereinafter referred to as "Users ").

This proposal, according to paragraph 2 of Article 437 of the Civil Code of the Russian Federation (hereinafter referred to as the Civil Code of the Russian Federation), is a public offer.

The present offer (hereinafter referred to as the "Offer") comes into force from the moment of posting on the Internet at <https://expodat.com/info/18-documents.html> , and is valid until the Company withdraws the Offer.

The Company has the right at any time to change the terms of the Offer at its own discretion or withdraw it. In the event of a change in the Offer terms by the Company, the changes take effect from the moment of placing the amended terms of the Offer on the Internet at <https://expodat.com/info/18-documents.html> , if the other period is not specified by the Company at such placement.

The Contract comes into force from the moment specified in clause 4.3. of this Offer.

The contract concluded through the acceptance of this offer is governed by the rules of civil legislation on the accession agreement (Article 428 of the Civil Code of the Russian Federation) - as its terms are defined by the Company in this offer and can be accepted by any person only by joining the proposed Treaty as a whole.

1. TERMS AND DEFINITIONS

The following terms and definitions apply to this document and the resulting or related relations of the Parties:

- 1.1. **Platform** - software and hardware integrated with the Company Site;
- 1.2. **The User** is a Capable person that has acceded to this Agreement in their own interests or acts on behalf of and in the interests of the represented legal entity;

As part of the service, Users agree and permit the Operator to process personal data, using automated database management systems, as well as other software tools, and also consent to the exchange with other users of the Service. When transmitting the specified User data, the Operator warns the persons receiving the User's personal data that this data are confidential and can be used only for the purposes for which they are communicated and requires these persons to comply with this rule. The User has the right to request from the Operator full information about his personal data, their processing and use, as well as to demand the exclusion or correction / addition of incorrect or incomplete personal data by sending a written request to the Operator for the postal address. The User's consent to the processing of his personal data is unlimited and can be revoked by sending a written application to the Operator's address to the postal address.
- 4.3. Use of the Service by the User in any way and in any form within its declared functionality, including:

- viewing of materials posted on the Site;
- registration and / or authorization on the Site or in the mobile application;
- posting or displaying on the Site any materials, including but not limited to: texts, hypertext links, images, audio and video files, information and / or other information;

Creates an agreement on the terms of this Treaty in accordance with the provisions of Articles 437 and 438 of the Civil Code of the Russian Federation.

- 4.4. Using any of the above opportunities for using the Service, the User confirms that:

A) Familiar with the terms of this Contract in full before using the Service.

B) Accepts all the terms of this Contract in full without any exceptions and limitations on its part and undertakes to observe or terminate the use of the Service. If the User does not agree with the terms of this Contract or is not entitled to enter into a contract on their basis, he should immediately cease all use of the Service.

C) The Contract (including any of its parts) can be changed by the Company without any special notification. The new version of the Contract comes into force from the moment of its posting on the Company's Site or bringing it to the User's notice in another convenient form, unless otherwise provided for by the new version of the Treaty.

4.5. Use of the functionality of the Service is allowed only after the User passes registration and authorization on the Site in accordance with the procedure established by the Company.

4.6. The login and password selected by the User are necessary and sufficient information for the User to access the Site. The user does not have the right to transfer their login and password to third parties, bears full responsibility for their safety, independently choosing the way of their storage.

4.7. License to use the Site and the permitted use of the Service

4.7.1. The Company grants to the registered and / or authorized User the right of gratuitous functional use of the Platform and the Site of the Company on the conditions of a simple (non-exclusive) non-transferable license within the functionality of the Service.

4.7.2. The Company has the right to set limits on the volume and composition of information materials posted by the User, and also introduce other technical restrictions on the use of the Platform and (or) the Site of the Company, which from time to time will be communicated to Users in the form and manner chosen by the Company.

4.8. License for the use of user materials

4.8.1. By accepting the terms of this Contract, the User grants the Company the right to use (permission to use) materials that it adds (uploads or transmits) to the Company's Website free of charge.

4.8.2. The specified right and / or permission to use the materials is provided to the Company at the same time as the User adds such materials to the Company's Website for the entire duration of the exclusive rights to intellectual property objects or protection of non-property rights for said materials for use on the territory of all countries of the world.

4.8.3. Within the framework of a simple (non-exclusive) license granted to the Company, the use of materials is permitted in the following ways:

- reproduce materials, i.e. To make the production of one or more copies of materials in any material form, as well as their recording in the memory of the electronic device (the right to reproduce);
- distribute copies of materials, i.e. To provide access to any material reproduced in any form, including through network or other means, as well as by selling, renting, lending, including importation for any of these purposes (right of distribution);
- publicly display materials (right to public display);
- publicly execute materials (the right to public performance);
- communicate materials in such a way that any person can access it online from any place and at any time of their choice (right to bring to the public);

- modify materials, i.e. Rework or otherwise process materials, including translating materials from one language to another (right to reprocess);
- the right to assign all or a part of the rights received to third parties (the right to sublicense). 4.8.4. The user has the right to restrict access to objects or data placed on the platform by sending a written request to the Company's address to the postal address. 4.8.5. The processing by the Operator of the User's personal data takes place in accordance with the "Policy regarding data processing in LLC EXPODAT" posted on the Internet at <https://expodat.com/info/18-documents.html>
